

Bend Airport Collision Avoidance Panel Discussion

Come join us for an insightful panel discussion featuring flight instructors, FAA safety team representatives, and other aviation professionals as they bring focus to mid-air and ground collision avoidance at and around the Bend Airport.

Let's build a shared understanding of how different types of pilots utilize the airport and the airspace around it:

- *helicopter pilots*
- *fixed wing pilots*
- *glider pilots*
- *turbine pilots*

Recognize the dangers and their locations. Discover best practices and advice for flying more safely. Don't miss this opportunity to hear from experts in the field.

Participating Panel Representatives from:

Bend Aircraft
Bend Airport Manager's Office
Epic Aircraft
High Desert Soaring Club
Leading Edge Flight Academy
Specialized Aero Works
and more

Saturday

March 1, 2025
